

## Improving Capacities for Research in Interaction Peer Learning Event

**Date: 22-23 September 2025 (lunch-to-lunch)**

**Venue: Sankt Gertrud Konferens, Östergatan 7B, Malmö**

### Preliminary Agenda

#### Monday 22 September

**12.00 - 13.00** Lunch and ‘rolling welcome’

**13.00 - 13.30** Background and introduction to the event – focusing on the HOWs of system innovation research in interaction

**13.30 - 17.00** Inspiration from external peers and interaction research “training circuit” (with fika break)

Four external peers from different research organisations and contexts, sharing experiences and showcasing various methods for research in interaction:

**Ainhua Arrona** (Orkestra) – action research as a standard approach in collaboration with policy partners for territorial development

**Stephanie Daimer** (Fraunhofer ISI) – localized approaches to building transformative capacities by way of organizational innovation in public administration

**Dimitrios Pontikakis** (JRC) – participatory modelling and scenario/simulation modelling of system innovation as a way to broaden and change mental models

**Matthias Weber** (AIT) – accompanying research and reflexive/learning processes of missions/transformative initiatives

**17.00 - 17.30** Sharing of insights and ideas for development

**19.00** Joint dinner (TBD)

#### Tuesday 23 September

**09.00 - 09.15** Intro to the day 2 – a focus on peer learning

**09.15 - 10.00** Pitches from projects in the research in interaction portfolio

**10.00 - 11.15** Learning groups (groups of projects) facilitated by an external peer (with fika break)

**11.15 - 11.45** Review and insights from external peers

**11.45 - 12.00** Wrapping-up

**12.00 - 13.00** Lunch
